Dear Sirs

I am very sorry that I am having to write an email to you again after you told me not to do so, but having consulted over 50 solicitors and complaints being given short shrift I do not know who else to turn to find myself a Duty Solicitor who would take instructions from me on fulfilling the necessary conditions of Bail that I am under and corresponding on my behalf with Kent Police.

Yours sincerely

Thank you for reporting your concerns to us about solicitors.

We are now taking the time to carefully assess these, and we will also look at the regulatory information we may already hold to decide what we need to do next.

We will respond to you within the next 15-20 working days, sooner if we identify urgent problems that need our immediate response.

If we cannot help with your concerns, we will point you in the right direction.

Are we the right organisation?

We want you to raise your concern with the right people. Sometimes that is us. But other organisations may be best placed to help.

For example, if you have concerns about the professional service you have received from your solicitor, the right organisation to help is the Legal Ombudsman. Unlike us, it has powers to tell your solicitor to put things right, to pay compensation to you or reduce your solicitor's bill if it finds there has been poor service. More information about the Legal Ombudsman and how to make a complaint can be found at <https://www.legalombudsman.org.uk/>

For information on how we handle your personal data, see our privacy notice.

Dear Shantanu

Thank you for confirming that you would like to attend for interview for the post 278-111HAAG-0605-INDEED-SP 111 Health Advisor - Ashford. Please be aware that this interview will be hosted remotely.

Your confirmed interview details are as follows:

Date and time: 4-Jun-2023 10:15

Remote interview joining instructions: MS Teams Invites will be sent out separately

Panel Members: Shirley Pennucci (Lead) Recruitment Advisor

The Trust uses a "competency" based approach to interviewing.

Our interviews test behaviours and skills otherwise known as a Competency Based Interview. Each question is designed to test a specific skill or behaviour. The answer is then marked against a pre-decided criteria and marked accordingly. This is much fairer than an un-structured interview where the panel ask questions that are relevant to what they are looking for, but without any specific aim in mind other than getting an overall impression of you as an individual. Questions can be fairly open and quite random, so you may get a question: “what can you offer our company” which is meant to gather general information about you but does not test any specific skill or competency and you are far more likely to be judged on the general impression you leave, therefore making the process far more subjective.

In a competency based interview, we may want to test your ability to deal with stress by asking: “can you give us an example of an occasion when you have worked under pressure” the panel would want to hear about a specific occasion when you have had to work under pressure. Ideally, you would provide us with an example and explain the challenges that you faced and how you overcome them. This would then be scored against positive and negative indicators.

#### Tips!

- Ensure you have prepared thoroughly and make sure you understand the role of a Call Handler and why you would be a good candidate.
- We would suggest you research competency based interviewing, as this is the current process we follow, as well as a focus on our values.
- The STAR method is used for scoring, so please think about structuring your answers as follows:

- Situation – Ensure you explain the background E.G. where you worked, what the situation was
- Task – What was the particular task you faced in the example chosen?
- Action – What did you personally do? Try to use “I” instead of “we”
- Result – What was the eventual outcome? How did you evaluate the impact?

- If you aren’t sure what the question means or you need it to be repeated, then please don’t be afraid to ask the panel to repeat it for you.
- Try and prepare a couple of questions to ask at the end of the interview relevant to the role you’ve applied for to show your interest.
- If you have previously been unsuccessful, think about the feedback you received and try and ensure you have some good examples to bring to the interview. The role of a call handler is heavily focused on communication, managing pressure and working to deadlines, so you should expect questions around these
- Lastly, ensure you have read and understood our Trust Values and ensure you have examples of where you’ve demonstrated these.

It is important that you tell us if you find that you can't attend for this interview. You can do this at <https://apps.trac.jobs/application/148605369?withdraw=1>

Should you be successful following the interview process, your referees will be contacted to confirm your employment history. If you have not done so already it is advisable that you check your referees' availability and also ensure that you have provided us with contact information such as their telephone number and work e-mail address. When references are taken up, it is your responsibility to chase your referees in order that an unconditional offer of employment can be made.

If you have any queries about the remote interview, please reply directly to this email.

We look forward to hearing from you.

Yours sincerely,

Mrs Shirley Pennucci

Dear Sirs

This morning I was anticipating an email from the Courts at Medway County Court, or Central London County Court, or Maidstone Crown Court, or North Kent Magistrates Court or East Kent Magistrates Court or from Force Control at Kent Police itself in response to the attached communication:

ToKentPoliceMaidstoneCCMedCtyCrtNorthKentmcEastKentmc(NEGOTIATIONS)9May2023.docx, but only a Spam Phone call came to my Mobile Phone from 07770193506 that I let go as a missed call. Instead thinking it was important, I immediately telephoned my assumed Duty Solicitors Olives Solicitors at 9.32 am and left a message on their Voicemail as follows: 'This is a message for Ravina. My name is Shantanu Panigrahi I am ringing to find out if Olives Solicitors are still acting for me as set out in your letter to me dated 19 April 2023. If you could phone me back on 07967789619 I would be most grateful'.

When no phone call was returned, I telephoned Olives Solicitors again a 9.50 am and Becky answered it. I said that I had left a message on their Voicemail earlier but do not think you have had time to read it. My name is Shantanu Panigrahi. I wanted to know if Olives Solicitors are still acting for me because I had heard nothing. I explained that I had a telephone call from WPC Fields last week and she wanted to set up a Meeting in two weeks' time about some emails that Kent Police had received, and I wondered if you know anything about it. Becky asked me for my surname which I gave. She said then that they would not know anything until nearer the time when I had to go to the Medway Police Station on 18 June 2023 at 5.00 pm as I was on Bail, and that Kent Police would contact Olives Solicitors prior to this date and then they would let me know what happens next. I asked Becky whether Olives Solicitors would be present at the Bail reporting date and she said yes. I said that I was a bit worried but will leave the matter with Olives Solicitors.

Lack of clarification from the Court authorities to the email attached causes me concern on what plans you have to negotiate a financial settlement to the dispute. Although I have demanded £10 million if this is excessive, please let me know.

Yours sincerely

To

The Justices Clerk

North Kent Magistrates Court

sitting at Medway Magistrates Court

Your Honour

I have in this morning post received your letter titled 'Notice of a new date of hearing', typed out as attached: Notice of New Date of HearingNKMC.docx

Your Honour does not make clear whether there will be a Hearing on 1 June 2023 at 10.00 am as the letter states that the case is adjourned 'to' this date: and you further state that No one need attend

on this date. I would like clarification of this anomaly in light of on-going proceedings where I am a Defendant bailed to appear at Kent Police's on 18 June 2023 5 pm on allegations that I am a suspect in issues of harassment, blogging and malicious communications as attached: ToCivilClaimsKentPolice (UPDATE ON NEGOTIATIONS FOR COMPENSATION)10May2023, and to which no replies have been received from Kent Police or Olives Solicitors the latter of whom I had stated to the Magistrates Court should have been sent all the documents relating (and not to me) to the Speeding matter. This is because I did not wish to contest the possibility that I had travelled at 60 mph - your letter does not specify that it was 60 mph but states 'at a speed exceeding 50 mph so that Kent Police seems to have further distorted the proceedings in addition to the manner in which it prevented me from discharging any possible liability by attending the Speed Awareness Course that I was legally entitled to opt for and had booked it for 11 January 2023 paying £92 to Kent County Council.

My Case of mitigating circumstances must take into account that the actions of Kent Police on the discharge of Speeding Offence considers my submission to the Court that Kent Police waged a Hate Crime on me over the past 5-6 years or longer and this allegation from me has been covered up by the Medway County Court where I had sought an injunction against the Chief Constable of Kent Police under J00ME572 to stop its crimes on me and my family; and by the Central London County Court where I had filed a case E35YM660 against the Prime Minister for not regulating the Police in the appropriate manner such that the Police Forces have unlimited scope to falsify the evidence and set up fictitious cases against individuals as it has done in my case having arrested my five times and still unable to resolve the matter with its investigations since September 2021 as well as confiscating 4 computers 4 USB Memory Sticks, 3 Mobile Phones and two Amazon pads from our home to take away all the evidence that I would need to rely on in Court and for no reason whatsoever. Instead, it has Bailed me restricting me to not being able to contact educational establishments and staff directly or indirectly when I have vehemently denied having sent out emails that are unprofessional in nature with Victims of Panigrahi Association (VOPA) being the entity that trolled me by hacking my email accounts.

If your Honour considers that these mitigating circumstances warrant a Hearing where the Chief Constable of Kent Police and myself need to attend to assess these submissions, please let me know the date of the Hearing to which this adjournment will be shifted.

If on the other hand your Honour considers that these mitigating circumstances have no bearing on the progress of the Speeding Offence, than please dispose of this case by:

- (a) Ordering Kent Police to allow me to take the Speed Awareness Course now;
- or
- (b) deal with the matter at the same level as a Fixed Penalty.

I would leave the matter for Your Honour to decide and will abide my your decision whichever way it goes with or without a Hearing to consider the £10 million that I have demanded from Kent Police and associated co-conspirators for the mental brutality, victimisation for seeking justice, persecution for my religion, terrorism through organised trolling of myself and my family, and obstruction and perverting of course of Justice.

Dear Ravina

The only way to find out the contact details of WCFields and PCCorbishley is to go through 101 for Kent Police and speak to the Operator. The last time I tried to find out they did not give the information to me, maybe you will have better luck.

To add to the criminality of the State authorities in HMCTS, I received a highly ambiguous letter in the post this morning that I challenged immediately as attached: Notice of New Date of Hearing NKMC.docx; ToMedwayMagistratesCourt)Case No 462300074226)11May2023.docx that followed my email las evening to the Civil Claims Department of Kent Police as attached: ToCivilClaimsKentPolice(UPDATE ON NEGOTIATIONS FOR COMPENSATION)1May2023.docx

I have tried to speak to Medway Magistrates Court twice in the past hour by dialling 01634 830232, but the extension for these proceedings were busy and the automatic message came to please dial again.

Dear Dr Panigrahi,

I am an investigation officer within the assessment and early resolution team at the SRA. My role is to review reports and decide if they should be closed without further action, or if they should be passed to our investigation teams for further consideration.

I tried calling you today, but couldn't get through, so I am contacting you by email instead.

I am in receipt of your email dated 1st May 2023, which said:

*'I received the attached letter on the 21st of April out of the blue from Olives Solicitors because I had never instructed them to act on my behalf but since Solicitors are difficult for me to obtain, I cooperated with 6-7 emails sent to Ravina without a response, even though I complied fully with the requirements by updating the Firm.*

*It was highly suspicious for me that the 19 April 2023 letter from Olives Solicitors would be sent to me after three weeks of my arrest of 28 March 2023, and reaching me a day after I was re-arrested by Kent Police on 20 April 2023 on further assessment of malicious communications and blogs that I had published, so that Phillippa Beswick did not attend the interview in the custody on this arrest to supervise the proceedings. Another Duty Solicitor was engaged by Kent Police. I asked Kent Police to give me the name and contact details of the latest Duty Solicitor who would be familiar with the background to the Case so that duplication is avoided, but Kent Police did not respond.*

*It is quite apparent to me that Olives Solicitors were harnessed by Kent Police to pervert the course of justice in this matter, and so I wish to complain to the Legal Ombudsman and or the Solicitors Regulation Authority given that I had fired Olives Solicitors a few days ago that it did not reply to so to probe them further this morning I requested the Firm for an update by email*

*This is just to register the fact that I have now formally dismissed Olives Solicitors from having anything to do with my Case pending your deliberations on the criminality that it has been engaged in with me as a Hate Crime in complicity with Kent Police.'*

My understanding of your email is that Olives Solicitors were duty solicitor at a time when you were at the police station. They sent you a client care letter confirming they were acting for you, but you

did not ever instruct them. You have tried emailing them, but they have not responded. It is unclear to me what makes you believe the firm were 'harnessed by Kent Police to pervert the course of justice in this matter' or what 'hate crime' you believe they have committed.

Could you please provide clarifications on the matter and give me any evidence you have to support your comments by no later than Thursday 18th May.

Yours Sincerely,

Rachel Gwilt

Dear Ms Gwilt

I note in passing that you have been highly selective over what you will investigate and what you will ignore. My complaint was against five Duty Solicitors since 16 September 2021 in the local police stations in and around Medway. These Duty Solicitors were appointed to assist me at interviews on 16 September 2021, 24 November 2021, 23 November 2022, 28 March 2023, and 20 April 2023.

You will have to find out their names and contact details from Kent Police because the only one who belatedly contacted me and uninvitedly after the interview date was Olives Solicitors and Police have steadfastly refused to name the others.

As I have said I conduct my own defence now having found them to be useless so much so that they appear to be part of Criminal Law enforcement process harnessed by the Police to rubber-stamp their authority over a suspect and the Judge who may try him again for an offence or offences. Thus, your investigations are a pointless waste of time and resources as the problem is structural. This is what I was trying to say in my Voicemail.

Yours sincerely  
 Dr Shantanu Panigrahi

Good afternoon

I can confirm that the hearing on 01/06/2023 will be heard in your absence, if you are maintaining your not guilty plea and a Trial date will be set. (please provide your dates to avoid) Once the case has been passed to the summons to Court stage, then the option to take a speed awareness Course has been passed. The Court cannot help you with the query about being booked on a Course, you need to contact the Police/KCC for that and I would check your bank as they may have reimbursed the fee you paid. I note from reading the email below, the Police have given you the option to change your plea to Guilty and then the case could be dealt with as a Fixed Penalty Charge (3 Points and £100 fine or the same amount for costs and fine) They have done this because of the mitigation you have provided. I can confirm I have saved this email to your electronic Traffic File, for the Magistrates to consider at the time the case is heard.

If you require any further assistance, please reply to this email.

Thank you

Lynnette

Subject: Case No 462300074226

To

The Justices Clerk

North Kent Magistrates Court

sitting at Medway Magistrates Court

Your Honour

I have in this morning post received your letter titled 'Notice of a new date of hearing', typed out as attached: Notice of New Date of HearingNKMC.docx

Your Honour does not make clear whether there will be a Hearing on 1 June 2023 at 10.00 am as the letter states that the case is adjourned 'to' this date: and you further state that No one need attend on this date. I would like clarification of this anomaly in light of on-going proceedings where I am a Defendant bailed to appear at Kent Police's on 18 June 2023 5 pm on allegations that I am a suspect in issues of harassment, blogging and malicious communications as attached: ToCivilClaimsKentPolice (UPDATE ON NEGOTIATIONS FOR COMPENSATION)10May2023, and to which no replies have been received from Kent Police or Olives Solicitors the latter of whom I had stated to the Magistrates Court should have been sent all the documents relating (and not to me) to the Speeding matter. This is because I did not wish to contest the possibility that I had travelled at 60 mph - your letter does not specify that it was 60 mph but states 'at a speed exceeding 50 mph so that Kent Police seems to have further distorted the proceedings in addition to the manner in which it prevented me from discharging any possible liability by attending the Speed Awareness Course that I was legally entitled to opt for and had booked it for 11 January 2023 paying £92 to Kent County Council.

My Case of mitigating circumstances must take into account that the actions of Kent Police on the discharge of Speeding Offence considers my submission to the Court that Kent Police waged a Hate Crime on me over the past 5-6 years or longer and this allegation from me has been covered up by the Medway County Court where I had sought an injunction against the Chief Constable of Kent Police under J00ME572 to stop its crimes on me and my family; and by the Central London County Court where I had filed a case E35YM660 against the Prime Minister for not regulating the Police in the appropriate manner such that the Police Forces have unlimited scope to falsify the evidence and set up fictitious cases against individuals as it has done in my case having arrested my five times and still unable to resolve the matter with its investigations since September 2021 as well as confiscating 4 computers 4 USB Memory Sticks, 3 Mobile Phones and two Amazon pads from our home to take away all the evidence that I would need to rely on in Court and for no reason whatsoever. Instead it has Bailed me restricting me to not being able to contact educational establishments and staff directly or indirectly when I have vehemently denied having sent out emails that are unprofessional in nature with Victims of Panigrahi Association (VOPA) being the entity that trolled me by hacking my email accounts.

If your Honour considers that these mitigating circumstances warrant a Hearing where the Chief Constable of Kent Police and myself need to attend to assess these submissions, please let me know the date of the Hearing to which this adjournment will be shifted.

If on the other hand your Honour considers that these mitigating circumstances have no bearing on the progress of the Speeding Offence, than please dispose of this case by:

- (a) Ordering Kent Police to allow me to take the Speed Awareness Course now;  
or
- (b) deal with the matter at the same level as a Fixe Penalty.

I would leave the matter for Your Honour to decide and will abide my your decision whichever way it goes with or without a Hearing to consider the £10 million that I have demanded from Kent Police and associated co-conspirators for the mental brutality, victimisation for seeking justice, persecution for my religion, terrorism through organised trolling of myself and my family, and obstruction and perverting of course of Justice.

Yours sincerely

Dear Sir/Madam

In view of what you have explained here that is: that Kent Police have now taken the below-stated mitigating circumstances into account and having done so has given me the option only this

afternoon to change my plea to Guilty I wish to take up the offer so that the Court can deal with the matter with a Fixed Penalty Charge (3 Points and £100 fine or the same amount for costs and time). This is to say that I do not wish the matter to go to Trial.

Yours sincerely

Good afternoon

I can confirm that the hearing on 01/06/2023 will be heard in your absence, if you are maintaining your not guilty plea and a Trial date will be set. (please provide your dates to avoid) Once the case has been passed to the summons to Court stage, then the option to take a speed awareness Course has been passed. The Court cannot help you with the query about being booked on a Course, you need to contact the Police/KCC for that and I would check your bank as they may have reimbursed the fee you paid. I note from reading the email below, the Police have given you the option to change your plea to Guilty and then the case could be dealt with as a Fixed Penalty Charge (3 Points and £100 fine or the same amount for costs and fine) They have done this because of the mitigation you have provided. I can confirm I have saved this email to your electronic Traffic File, for the Magistrates to consider at the time the case is heard.

If you require any further assistance, please reply to this email.

Thank you

The Justices Clerk  
North Kent Magistrates Court  
sitting at Medway Magistrates Court

Your Honour

I have in this morning post received your letter titled 'Notice of a new date of hearing', typed out as attached: Notice of New Date of HearingNKMC.docx

Your Honour does not make clear whether there will be a Hearing on 1 June 2023 at 10.00 am as the letter states that the case is adjourned 'to' this date: and you further state that No one need attend on this date. I would like clarification of this anomaly in light of on-going proceedings where I am a Defendant bailed to appear at Kent Police's on 18 June 2023 5 pm on allegations that I am a suspect in issues of harassment, blogging and malicious communications as attached: ToCivilClaimsKentPolice (UPDATE ON NEGOTIATIONS FOR COMPENSATION)10May2023, and to which no replies have been received from Kent Police or Olives Solicitors the latter of whom I had stated to the Magistrates Court should have been sent all the documents relating (and not to me) to the Speeding matter. This is because I did not wish to contest the possibility that I had travelled at 60 mph - your letter does not specify that it was 60 mph but states 'at a speed exceeding 50 mph so that Kent Police seems to have further distorted the proceedings in addition to the manner in which it prevented me from discharging any possible liability by attending the Speed Awareness Course that I was legally entitled to opt for and had booked it for 11 January 2023 paying £92 to Kent County Council.

My Case of mitigating circumstances must take into account that the actions of Kent Police on the discharge of Speeding Offence considers my submission to the Court that Kent Police waged a Hate Crime on me over the past 5-6 years or longer and this allegation from me has been covered up by the Medway County Court where I had sought an injunction against the Chief Constable of Kent Police under J00ME572 to stop its crimes on me and my family; and by the Central London County Court where I had filed a case E35YM660 against the Prime Minister for not regulating the Police in the appropriate manner such that the Police Forces have unlimited scope to falsify the evidence and set up fictitious cases against individuals as it has done in my case having arrested my five times and still unable to resolve the matter with its investigations since September 2021 as well as confiscating 4 computers 4 USB Memory Sticks, 3 Mobile Phones and two Amazon pads from our home to take away all the evidence that I would need to rely on in Court and for no reason whatsoever. Instead it has Bailed me restricting me to not being able to contact educational establishments and staff directly or indirectly when I have vehemently denied having sent out emails that are unprofessional in nature with Victims of Panigrahi Association (VOPA) being the entity that trolled me by hacking my email accounts.

If your Honour considers that these mitigating circumstances warrant a Hearing where the Chief Constable of Kent Police and myself need to attend to assess these submissions, please let me know the date of the Hearing to which this adjournment will be shifted.

If on the other hand your Honour considers that these mitigating circumstances have no bearing on the progress of the Speeding Offence, than please dispose of this case by:

- (a) Ordering Kent Police to allow me to take the Speed Awareness Course now;
- or
- (b) deal with the matter at the same level as a Fixed Penalty.

I would leave the matter for Your Honour to decide and will abide my your decision whichever way it goes with or without a Hearing to consider the £10 million that I have demanded from Kent Police and associated co-conspirators for the mental brutality, victimisation for seeking justice, persecution for my religion, terrorism through organised trolling of myself and my family, and obstruction and perverting of course of Justice.

Yours sincerely

Dear Sir

I was told by Kent Police that you have refunded the £92 that I paid for my Speed Awareness course that was supposed to have taken place on 11 January 2023 but was cancelled by Kent Police.

I have been checking my Barclays Statement in the Current Account regularly but see no refund of this sum of money.

The matter is currently due to be decided in Medway Magistrates Court on 1 June 2023, so I should be grateful if you would let me know if the money was repaid and if so on which date and into which Account.

Yours sincerely

Dear Rachel Gwilt

Further to our correspondence yesterday which seemed to come to an abrupt ending and I apologise for my part in it, I should bring the following further exchange with Olives Solicitors to your attention. The Solicitors seem to have refused to take any further action on the matter that requires immediate action, as you will understand.

As there are legal proceedings being played out, kindly acknowledge unambiguously that the Solicitors Regulation Authority is now considering the resolution of this dispute since the Legal Ombudsman has refused to acknowledge any of my communications. Please do not kick the ball into the long grass, and set out what your course of action is on Olives Solicitors and four other Duty Solicitors that I brought to you notice.

Dear Ravina

The only way to find out the contact details of WCFields and PCCorbishley is to go through 101 for Kent Police and speak to the Operator. The last time I tried to find out they did not give the information to me, maybe you will have better luck.

To add to the criminality of the State authorities in HMCTS, I received a highly ambiguous letter in the post this morning that I challenged immediately as attached: Notice of New Date of Hearing NKMC.docx; ToMedwayMagistratesCourt)Case No 462300074226)11May2023.docx that followed my email las evening to the Civil Claims Department of Kent Police as attached:  
ToCivilClaimsKentPolice(UPDATE ON NEGOTIATIONS FOR COMPENSATION)1May2023.docx

I have tried to speak to Medway Magistrates Court twice in the past hour by dialling 01634 830232, but the extension for these proceedings were busy and the automatic message came to please dial again.

Regards

Dear Sirs

It was unfortunate that your lackadaisical approach to handling my case has led me to the following complaint to the Solicitors Regulation Authority, but I need to make much more progress in seeking justice than you have been able to provide me with. My contention is that OLIVES Solicitors was harnessed by Kent Police to terrorise me by arrests under fictitious allegations of harassment, wrongful blogging and malicious communications by me.

Kindly let me know how you will address this complaint internally within the Firm.

No emails came back. I checked my Santander Bank Statement and there was not any £92 deposit from 11 November 2023 from anyone so Kent County Council has definitely not refunded the Speed Awareness Fee that was cancelled.

There is nowhere to go: it is all part and parcel of the State-organised conspiracy using actors to perpetrate persecution. There will be no proceedings from me. Let them decide what to do. I will not respond and will delete all emails after publishing this book now, on this Friday, the end of the working week.
